

Meghan Cassel received her license as a Registered Nurse in 2002. She began her nursing career as a floor nurse at SFMC and worked for roughly 5 years in the NICU, Pediatrics department and Emergency Room. At the same time, Meghan worked as a private duty nurse providing respite care for several children with medical needs in the community. In 2006 she transitioned fully into Home Health working for Craig HomeCare in the role of Administrator and then as Branch Operations Manager. Meghan has continued to serve the Home Health community as Nurse Liaison and Home Health Director for Redline Specialty Pharmacy for the last three years, caring for a wide variety of home infusion patients. She received her IgCN (Immunoglobulin Certified Nurse) credential in 2017.

During Meghan's career, she has been able to advocate for the Home Health community in many ways including testifying before state legislators when the private duty program was threatened and serving on a select Home Health Work group established by Nebraska DHHS. Over the years Meghan has served on the Nebraska Home Care Association Board in the roles of Secretary and At-Large Director. Meghan said, "I would value the opportunity to continue to advocate for the home care community in the role of Associate Member."
