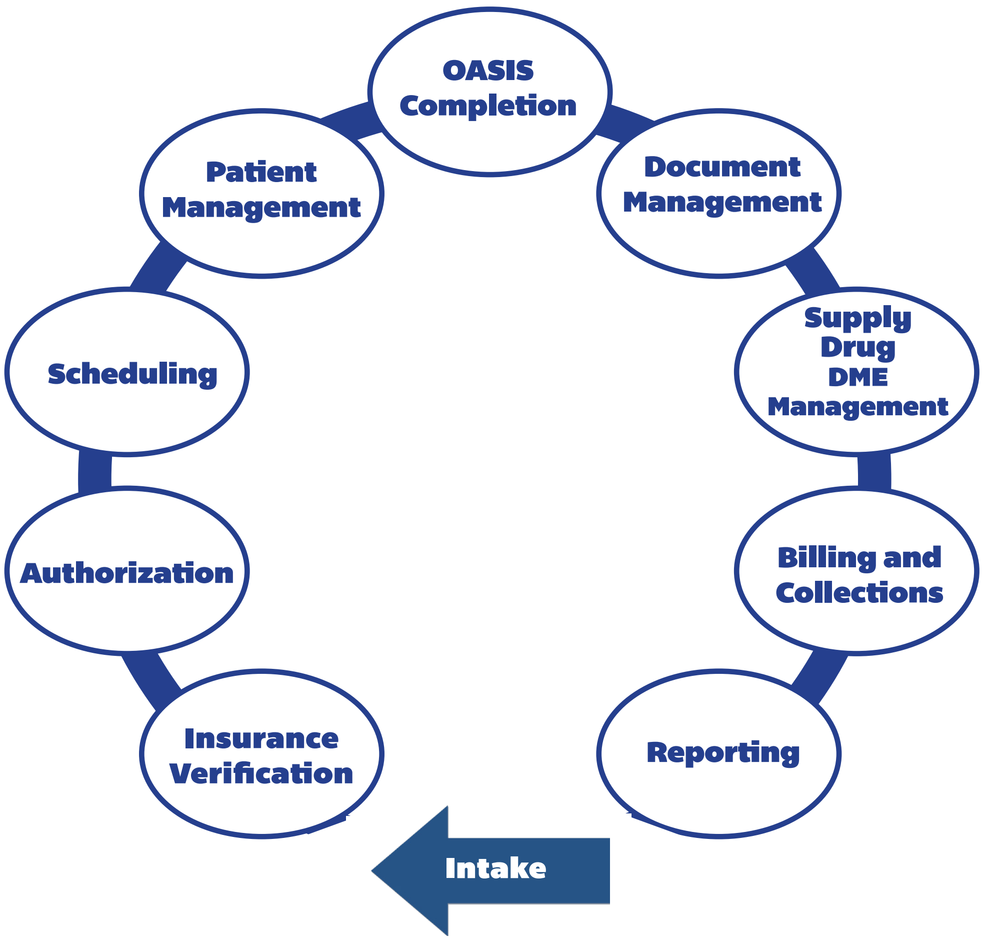
What Every Case Manager Needs To Know About Revenue Cycle



November 14, 2018
12:00 p.m. CT / 11:00 a.m. MT

An application has been submitted to Iowa Western Community College, Iowa Board of Nursing for contact hours and is pending approval.

Speaker

Diane Link, RN

Diane Link is an RN with over 25 years of home health and hospice experience. She is currently the Director of Clinical Services with BlackTree Healthcare Consultants specializing in all aspects of clinical management including outcome improvement programs, regulatory and compliance programs, episodic management, OASIS and Coding and survey readiness and remediation. Her prior experience includes serving in a variety of roles in the home health and hospice industry from field nurse to executive director of home health and hospice. She was a surveyor for home health, hospice and private duty services for CHAP (Community Health Accreditation Partners). Diane is a frequent contributor to *Home Health Line/Decision Health* articles and is known for her inspiring and knowledgeable presentations at state and national conferences. She is the author of "The Hospice Guide to Quality Care and Reporting: Promoting Sustainability in an Evolving Regulatory Climate".

Diane Link, RN has identified no actual, potential or perceived conflict of interest. The Nurse Planners have identified no actual, potential or perceived conflict of interest.

Agenda

12:00 -12:15 p.m.	Identify Revenue Cycle Areas
12:15 - 1:00 p.m.	Episodic management and the role of the case manager
1:00 - 1:15 p.m.	Supply Management and Time Management
1:15 - 1:30 p.m.	Q & A/Evaluation

Objectives

1. Identify the basic principles of Revenue Cycle.
2. Understand episodic management and the role of the case manager.
3. Identify three ways case managers can support expense management in their organization.

In order to receive a Certificate of Completion:

1. Attend the entire webinar.
2. Sign and return an attendance sheet.
3. Complete and submit a continuing education half sheet.
4. Complete and submit the webinar evaluation form.

Purpose Statement

Case Managers need to understand the principles behind reimbursement in order to manage episode costs while providing the best patient care. In this webinar the attendee will be provided basic understanding of PPS reimbursement, episodic management and their role in expense management.
