

Victoria Bourland BSN, RN, is Clinical Manager currently with the Good Samaritan Home Health in the Grand Island and Hasting offices. She has worked in healthcare since her teenage years. Starting out as a CMA/CSM (now credentials are CMA). From that Victoria went on to get her EMT and worked with Rural Metro in Hastings which covered the 911 contract in Adams County and long-distance transport. While working there she made the decision to go to nursing school. Victoria's ADRN was completed at Central Community College at the Grand Island Campus. She earned a BSN from Chamberlain University. In the past, Victoria has worked at Rural Hospital, Pediatric unit, and now Home Health for 7years, recently starting in leadership in the last year.
